

COWSPIRACY

THE SUSTAINABILITY SECRET

This shocking yet humorous documentary reveals the absolutely devastating environmental impact large scale factory farming has on our planet. Please join us for a discussion with information on how YOU can help put a stop to the horrific impact of factory farming on our precious planet. Improving the way we eat will help our environment, will give us years of life and health back, and will help to cease the horrific treatment of the animals we share our world with. Come learn more!
